Printer	Present
Display	Auto detect

Disk file

C:\Users\RYZEN\OneDrive\Documents\Virtual Machines\Ubuntu 64-bit\Ubuntu

Capacity

Current size: 4.5 GB

System free: 345.7 GB

Maximum size: 50 GB

Disk information

Disk space is not preallocated for this hard disk.
Used disk contents are stored in multiple files.

Expand Disk Capacity

Specify the maximum size for the virtual disk:

Maximum disk size (GB): 

Expand increases only the size of a virtual disk. Sizes of partitions and file systems are not affected.
